

**It is estimated that over 1000 of our WWII Veterans die each day!**

Honor Flight New England is a New Hampshire based non-profit organization with a goal- to take as many New England area World War II veterans, or terminally ill veterans from any war, on a one-day trip to Washington, D.C. Our heroes will visit the World War II Memorial built in their honor. This trip will be at **NO COST** to our veterans. They pay the price for their sacrifice in their youth, over 60 years ago.

Our Inaugural Flight took place on June 13<sup>th</sup> and included World War II Prisoners of War and a Veteran that lost his sight while fighting for his country.

Future trips depend on our ability to raise enough funds to get our heroes there. Your donation may help us bring closure to those that have done so much and ask for so little.

If you know a World War II Veteran or a Veteran that is terminally ill who may want to take the trip, please feel free to have them contact us.

**Together we can get them there!** If you have questions please feel free to contact us.

Sincerely,

Joseph F. Byron  
Founder
